

Asi_238: Asia-Guliya.Thompson.1997

created: 03-Apr-2017

archiveType: **glacier ice**

PAGES2k region: Asia

Authors: Thompson, L. G.

Year: 1997, DOI: 10.1126/science.276.5320.1821

parameter: **d18O**

units: permil

climateIntepretation:

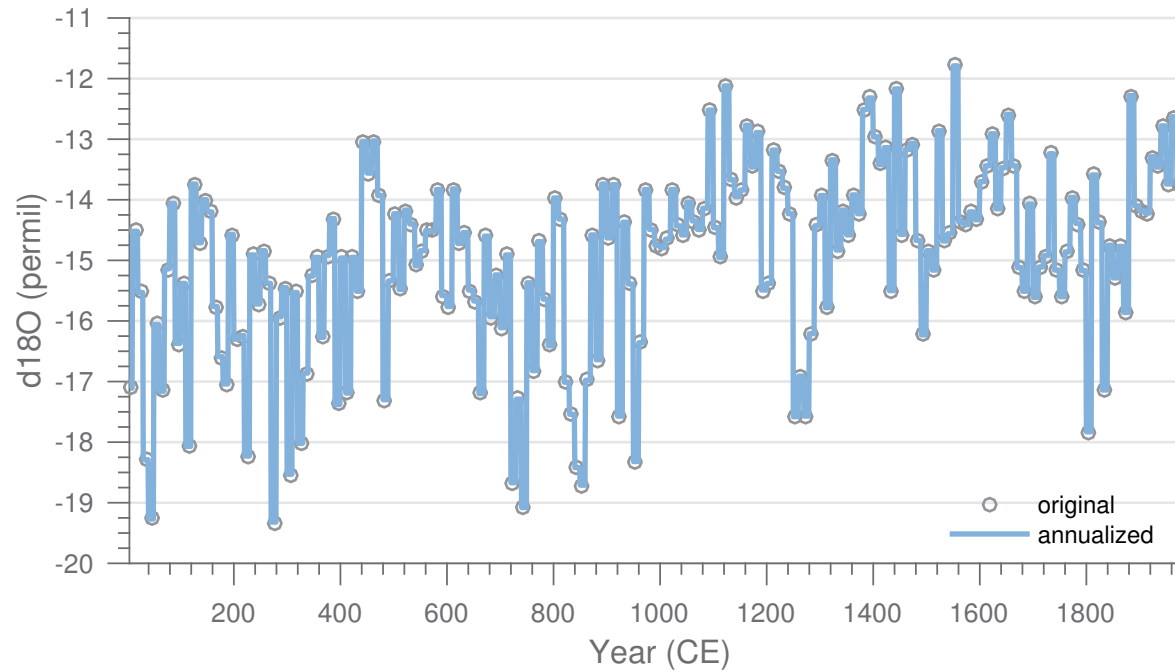

climateVariable: T

climateVariableDetail: air@condensationLevel

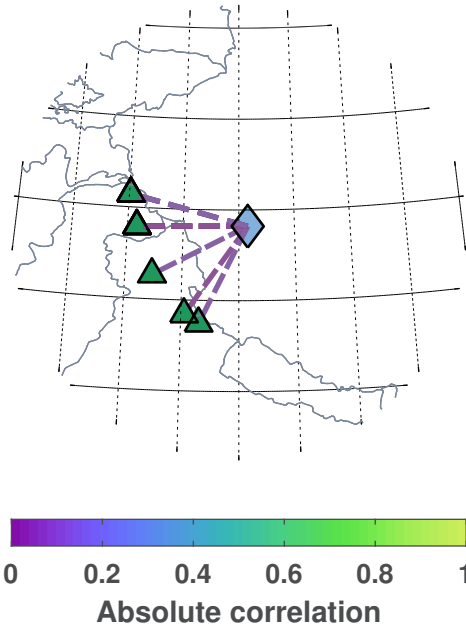

Seasonality: 1 2 3 4 5 6 7 8 9 10 11 12

Direction: positive

QC Notes: d18O in ice core in northern Tibetan Plateau

Correlation to HR neighbors

Proximity Effect
