

archiveType: **glacier ice**

PAGES2k region: Asia

Authors: Thompson, Lonnie G. and Yao, Tandong and Davis,

Year: 2006, DOI: 10.3189/172756406781812357

parameter: **d18O**

units: permil

climateIntepretation:

climateVariable: T

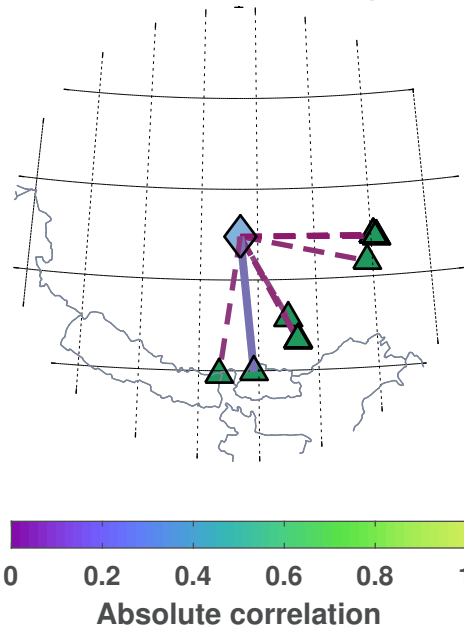

climateVariableDetail: air@condensationLevel

Seasonality: 1 2 3 4 5 6 7 8 9 10 11 12

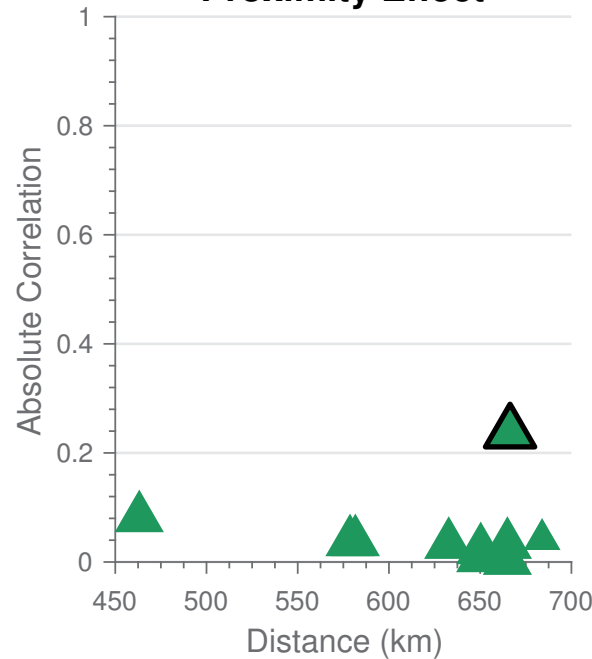

Direction: positive

QC Notes: d18O in ice core in northern Tibetan Plateau

Correlation to HR neighbors

Proximity Effect

years of overlap
